Indicate if child is a Foster Child or is homeless. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child, on the same household application that includes their non-foster children. Additionally, when a host family applies for free and reduced price meals for their own children, the host family may include the homeless family as household members if the host family provides financial support to the homeless family. In such cases, the host family must also include any income received by the homeless family.  
 \*Certification from the agency which assisted with the evacuation or is providing shelter is required.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of social security number if an adult household member who signs out the Household Income Information. The Social Security number is not required when you apply on behalf of a foster child or you list a Food Stamp, Temporary Assistance for Needy Families(TANF) for Food Distribution Program on Indian Reservations(FDPIR) case number for your child or other FPIR identifier or when you indicate that the adult household member signing the application does not have a Social Security number. We will use your information to determine if your child is eligible for free or reduced price meals and for administration and enforcement of the Program. If a child is a Head Start participant, the child is automatically eligible to receive Program meal benefits, subject to submission by Head Start officials of a Head Start Statement of income eligibility or income eligibility documentation.
